Message Magazine:

Let us reach out to our community through inclusion, engagement and commitment. Let us continue to encourage, support, collaborate with each other. Let us continue to pray with and for one another. WE are a church on the move. Change is inevitable and necessary. The world around is us changing, people, climate, situations, however, the Word of God remains the same. The method of delivery changes the Word remains the same. Love one another, go forth teaching and sharing the gospel. Be ever ready to go out and share the Gospel by placing and keeping a pair of walking shoes in your vehicle.

Thank you to our faithful friends and family for enduring the weather and other potential obstacles to share uplifting Christian literature and new regarding upcoming church and community events.

Thank you everyone for the Message Magazine Subscriptions and donations. There are several individuals, clinics, and organizations within our community that will receive the Message thanks to your generous donations! It is not too late to submit Donations and Message Magazine subscriptions! To date, 231 paid subscription of the 623 pledged subscriptions have been received. The current campaign date ends August 4th, 2017. Please submit pledged or new donations for Message subscriptions by Thursday, August 3rd, 2017. For those who have renewed or sent subscriptions directly to Pacific Press, please see the Personal Ministries Team (Felicia Hunter or Veronica Penny).
